2. From the Revenue Commr. in his case No. C. 4421/32-33 dt 11.7.33. Requests sanction in the circumstances stated to the levy of optional tax of two annas on every rupee of compulsory tax levied by the Kabbal Village Panchayat in Kabbal & its magana villages to meet the Extra Expenditure involved by the installation of electric lights.

The present income of the Village Panchayat is said to be Rs 204 and the cost of lights for which the Panchayat have to provide is said to be Rs 600/- From the Amildars report it is seen that the recurring charges are limited to certain minor items. Eg. for 32-33 the Panchayat seems to have Rs 219-5-4 at its credit. and the Extra income anticipated by the levy of optional tax is only Rs 14-4-0 It is not clear why optional tax is proposed to be levied although the normal income is enough to meet the Extra Cost of Rs 600/- Subject to orders whether further information may be called for.

GENERAL SECRETARY 13 JULY 1933

SIR,

I have the honor to state that the Deputy Commissioner, Bangalore District, has reported in his letter No. C.2(a) 700/32-33 dated 20-4-1933 (copy enclosed) that the Kabbal Village Panchayet in Kankanhalli Taluk propose to provide 5 electric lights, one for Kabbalamma's temple debitable to temple funds and the other four lights for street lighting in the villages and that this proposal costs the Village Panchayet Rs 60/- per annum. The present income of the Village Panchayet which is stated to be Rs 204/- per annum is not considered adequate to meet the normal requirements of the Village Panchayet as well as the additional expenditure on electric lighting. The Village Panchayet has therefore resolved, after observing the prescribed formalities. to levy under Section 37 of the Village Panchayet Regulation an optional tax of annas two on every rupee of the compulsory tax now being levied by the Village Panchayet to enhance its income to some extent. It is calculated that by this levy, a sum of Rs 14-4-0 will be realised. The Deputy Commissioner recommends the proposal. In these circumstances sanction of Government may be kindly obtained to the levy of the optional tax by the Village Panchayet.

2. The enclosures received with the Deputy Commissioner's letter accompany for reference.

I have the honor to be,
Sir,
Your most obedient servant,

Revenue Commissioner

Letter No. C.2 (a) 700/32-33 dated 20th April 1933 from the Deputy Commissioner, Bangalore District, to the Revenue Commissioner in Mysore.

In forwarding herewith the file of correspondence ending with Closepet Sub Division Officer's Memo No. A.1-1287/32-33 dated 26-3-33 relating to the levy of optional tax for lighting in the Kabbal Village Panchayet, Kankanhalli Taluk, I have the honor to state that the Village Panchayet of Kabbal, which consists of Kabbal, Hosahalli, and Halasinamaradahalli villages have resolved to have 5 Electric lights in all, installed at Kabbal and its dakhala villages, Krishnappana Doddi and Kurubarahalli.

Out of the 5 lights proposed to be installed, one is reported to be for Kabbalamma's temple debitable to temple funds and the changes for the remaining 4 only are debitable to Village Panchayet funds. The annual expenditure for these 4 lights will come up to Rs 60/-.

To meet the extra expenditure involved by having electri lights, the Village Panchayet have resolved to levy an optional lighting tax of annas 2 on every rupee of Village Panchayet tax of Kabbal and its majara villages only. By this levy, the Village Panchayet expects an annual income of Rs 14-4-0 and the balance will be met out of the normal revenue of the Village Panchayet, the annual income of which is Rs 204/-.

I request you to kindly obtain sanction of Government for the levy of the said optional tax under Section 37 of the Mysore Village Panchayet Regulation.

Sir,

In inviting your attention to G.O. No. L 3574-86 / V.P 38-33-2 dated 20/21.11.33 sanctioning the appointment of certain Engineering officers in connection with ~~the~~ Village Panchayet work I am desired to state that it would appear to be a good plan to entrust these men in addition to the work now proposed to be given to them with certain miscellaneous works pertaining to the District Board, so that the Sanitary Inspectors at present employed by the District Boards may be released for purely sanitary work.

These Engineers employed out of Panchayet funds may, for instance, be required to look after the construction and repair of buildings, wells, culverts bridges, roads &c., taken up by the District Board. For the present no contribution need be levied from the District Boards on account of the entertainment of these men but later on they may be required to contribute a quota on this account.

~~If you agree~~, Government would be glad to be favoured with detailed proposals in the matter* at an early date. ~~on these lines~~

SIR,

With reference to your letter No.L.5795/V.P.38-33-5 dated 1st February 1934,calling for proposals in the matter of utilising the services of the Engineering Officers appointed for the execution of Village Panchayet Works, for miscellaneous works pertaining to District Boards, I have the honour to state that the services of these officers should be utilised wholly for Village Panchayet work. In addition to preparing estimates and carrying out works, they should make a rough survey of important villages and prepare a five year programme, supported by plans and estimates of the improvements required in such villages including damage works, straightening and widening of roads,removal of congestion and lay out of extensions. I do not think it is desirable to entrust these officers with any extraneous duties for the present. For this reason, I am discouraging as far as possible,the proposal of some of the Deputy Commissioners to employ them even for the collection of Panchayet taxes.
